

Home Typing Rules

1. Drop off and pick up person, must always be present a couple minutes early prior to start of class and end of class. (*This allows you to sign in / out and hand off the assigned positive practice homework.*)
2. *Four felt bumps attached to the box **MUST** be placed on your home computer keys: **J, F, ; & A.***
3. Make sure that “tiger claws” and “kissing thumbs” are being used at home!
4. NO BACKSPACING or corrections on homework – we can provide helpful corrections & students need to see and remember errors to learn from them.
5. Send homework **EACH & EVERY DAY** to **homework@truetouchtyping.com**, *not* as an attachment, but in the body of the email.
6. Where will you do your typing practice?

7. When will you do your practice?

8. If you have to miss a practice, how/when will you make it up?
